

H. FINANCIAL AID

Aid Awarded to Enrolled Undergraduates

Enter total dollar amounts **awarded** to enrolled full-time and less than full-time degree-seeking undergraduates (**using the same cohort reported in CDS Question B1, “total degree-seeking” undergraduates**) in the following categories. (Note: If the data being reported are final figures for the 2007-2008 academic year (see the next item below), use the 2007-2008 academic year's CDS Question B1 cohort.) Include aid awarded to international students (i.e., those not qualifying for federal aid). **Aid that is non-need-based but that was used to meet need should be reported in the need-based aid columns.** (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based scholarship or grant aid” on the last page of the definitions section.)

H15

If your institution has recently implemented any major financial aid policy, program, or initiative to make your institution more affordable to incoming students such as replacing loans with grants, or waiving costs for families below a certain income level please provide details below:

Two programs (both require the FAFSA, are need-based, and limited to Texas residents):
(1) Texas A&M offers and additional \$5,000 per year for four years Regents Scholarship to FTIC students who are first generation and have family income below \$40,000. This is in addition to federal and state aid they are eligible to receive. The Regents program began in Fall 2004. (2) Through the Aggie Assurance Program, Texas A&M guarantees at least a minimum amount of scholarships and grants (counting all sources) for four years to cover tuition and fees for Pell Grant eligible students with family incomes below \$30,000, and enough gift aid to cover tuition (excluding fees) for students with a family income under \$60,000, regardless of Pell eligibility. The program began with FTIC students in Fall 2008. New transfer students will be included in the program in Fall 2009. Students must maintain a 2.5 GPA.
