NOTES:

*--Students are not eligible to earn ENGL 104 credit by examination if they have earned more than 90 semester hours.

+--Students must qualify on both the essay and objective portions of the test. The essay portion is an additional 90-minute test that may be taken immediately following the multiple-choice test, or maybe scheduled at a later date and time. Students who fail a portion of any English test must retake both sections after a 6-month wait.
