MEMORANDUM

TO: Dr. Robert M. Gates
President *RG*

THROUGH: Dr. David B. Prior
Executive Vice President and Provost *DBP*

SUBJECT: Recommendation from the Council on Built Environment

The Council on Built Environment has discussed the attached recommendation from the Campus Facilities Planning Committee regarding the development of a Flexible/Healing Garden in the Langford Architecture Complex courtyard. The garden will support the teaching and research programs of the College of Architecture and will be funded by the college.

The Council approves the use of this space and recommends approval by the President.

Handwritten signature of William L. Perry.

William L. Perry
Vice Provost
Chair, Council on Built Environment
