SUBJECT: Recommendation from the Council on Built Environment

The Council on Built Environment has discussed the attached recommendation from the Campus Facilities Planning Committee (CFPC) regarding demolition of older units in the University Apartments area and the construction of 500 new units. The new units, estimated to be completed in fall 2008, will serve the needs of both graduate and undergraduate students.

The Council recommends your approval of the construction of these apartment units. I have attached more detailed information about the recommendation from the CFPC and a map showing the areas of apartments to be demolished and the location of the new units.

*1/27/05 Demolition will  
occur after new units are  
completed WSPerry
