tellsomebody.tamu.edu

Facilities Services Communications Center

Call 979-845-4311

Available 24/7 for urgent facilities-related needs and safety issues including leaks and outages.

FIRE

In a fire or if the fire alarm sounds:

- Evacuate the area.
- Use the nearest exit.
- Do not use elevators.

- Go to your designated gathering area.
- Do not reenter the building until authorized personnel give the all clear.
- Call 911 if you need help evacuating.

MEDICAL EMERGENCY

Call 911 if the person:

- Can't breathe
- Is unresponsive
- Has chest pain
- Has uncontrolled bleeding

If necessary, and if you are trained:

- Give basic first aid
- Provide CPR
- Utilize AED

SEVERE WEATHER

Watch:

Severe weather is possible.

Warning:

Severe weather is occurring.

- Seek appropriate shelter.
- Monitor official channels for information.
- **For tornado warnings**, go to an interior room or hallway away from windows.
