SURVIVE THE APOCALYPSE WITH FIVE
STEP 1
Make sure you look out for your family.

STEP 2
Always have a backup plan (or backup briefcase).
STEP 3
Stay informed of important historical events.

STEP 4
Don't forget that everyone will experience the apocalypse in different ways.
STEP 5

Be aware of the signs of paradox psychosis: denial, itching, extreme thirst and urination, excessive gas, acute paranoia, uncontrolled perspiration, and, ultimately, homicidal rage.
Goes to the Emergency Management Linktree - we'd be thrilled if you included it!
